

Welcome to Human Life of Thurston County (HLTC)

Mike Mock

**President’s Message:** These past nine months as a Human Life of Washington (HLW) chapter helps keep operating costs low because HLW covers state fees, insurance, registered agent, etc. This allows HLTC to focus on pro-life ministry work. Seven members along with pro-life groups, like Lacey WA Sacred Heart Respect For Life (RFL) and Students For Life of America (SFLA), came together to produce the Fall 2021 and Spring 2022 Newsletters. Many thanks to our readers who generously support protecting human life from conception to natural death. Our website, [HumanLifeTC.org](http://HumanLifeTC.org), enabled twenty of these associates including a pro-life billboard designer, Brad Haima of Canada, to volunteer their ideas and perspectives, to modernize an existing HLTC billboard and creating a second new billboard on display for over two months.

While we prepared for the county fair, shortly before our annual County Fair fundraising contracts were due, HLW decided that no Human Life chapter, including HLTC, would be at liberty to sell anything! We folded our hands in prayer and then reached out to another pro-life charity team – the Knights of Columbus. The Knights offered to fund, manage, and operate HLTC’s annual five-day fundraiser, Andy’s concession stand, at the County Fair. Andy’s popular food concession stand won best food award just prior to the pandemic. Exciting that Andy’s may serve again this year! Our website requests volunteers for these activities.

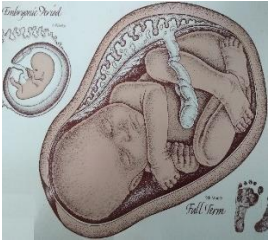

On Divine Mercy Sunday Karli Lodgic of SFLA spoke and invited members to join pro-life events. Afterwards, RFL and HLTC staffed two tables presenting pro-life content and county fair “save-the-date” reminders. We seek volunteers to serve during the last five days of July at the education booth and at Andy’s diner:

**HLTC Education booth:** Three shifts need a representative for each group (RFL, SFLA, and HLTC). Share your empathetic counseling, pro-life facts knowledge, or general assistance. These wonderful souls chat with and offer passersby information on healthy life choices for relationships, mothers, and their babies.

**Knight’s Andy’s fundraiser:** Three shifts need licensed fairground contacts as person in charge, head cooks with food handler permit, order takers, cashiers, dishwashers and table workers. These trustworthy people feed the many hungry visitors who come to Andy’s window for a meal and generate new pro-life funds. The Knights will donate all fundraiser proceeds to pro-life groups who champion high quality human life efforts.

**Volunteer online today to help at the county fair:** <https://HumanLifeTC.org/Volunteer>  
**Mary Mock @ (360) 789-7333** seeking volunteers for Human Life Education booth.  
**Ron DeGroot @ (360) 704-8822** recruiting for the Knights’ operating Andy’s food concession stand.

**Come to your pro-life Summer Picnic:** <https://HumanLifeTC.org/Event>  
We meet at **2 PM on Saturday, June 18<sup>th</sup>**. An RSVP by June 4<sup>th</sup> helps us prepare enough food. To RSVP online, select the summer picnic link or picture, fill out the form, and then click the “Save RSVP” button. Or print the Newsletter last page, and send your answers in the mail. **RSVP or not, we welcome you.**

HLTC needs two volunteers to join our officer leadership team in June.

Will you be our secretary or maybe our treasurer officer? Please share with us your qualifications.

Officers encourage, enable, and inspire others to create greater awareness for protecting Thurston County area human life, born, unborn and preborn.

Pray, volunteer, participate, and support HLTC endeavors.

+++++

**News – Pray for the Courts and Legislators to hear the peoples’ voices, prayers, and works against the Roe Supreme Court Decision of January 22, 1973.** For decades, many scientists, lawyers, religious, and politicians from many walks of life all around the world have made it clear through studies, peaceful demonstrations, prayers, and laws that abortion creates more problems than it resolves.

**See details for the headline below at our news page: <https://HumanLifeTC.org/News>**

Some current events headlines in the pro-life movement

A Pro-Life News Source - <https://www.lifenews.com/>

**Politics-** On May 2<sup>nd</sup>, a draft majority opinion from SCOTUS unprecedentedly leaked to the public. Overturned Roe does not make abortions go away in the USA. The leak might energize democratic party voters to push for legislation to guarantee abortions. Pro-life activists will need to keep on with continued strong, compassionate support to influence people’s minds and hearts while providing practical help to those in need in Washington state.

**Business–** Amazon, etc. companies provide funding for employees to obtain abortions. Amazon will give its employees up to \$4,000 a year for travel expenses for elective abortions.

**Scientific studies-** Abortion restrictions showed 17% decrease from the median abortion rate. Without abortion insurance 25% more poor birthed their babies. Repealing Roe v Wade and allowing states to set abortion policies may reduce abortions nationally by 6 to 15 percent.

**Culture -** The Girl Scouts cookie sales go to Planned Parenthood.

**Abortion pill reversal saved 3000 babies -** Zuckerberg attacked Facebook for approving Abortion Pill Reversal or Abortion Pill Rescue (APR) ads, but babies live!

**Washington Governor Promises to Defend Abortion Rights**

**Local Planned Parenthood official responds to possible Roe v. Wade overturn**

'We're going to fight like Hell'

**Reproductive Parity Act Becomes Law in Washington!** - SB 6219 - 2017-18 Concerning health plan coverage of reproductive health care.

**Planned Parenthood Celebrates Governor Inslee Signing the Affirm Washington Abortion Access Act into Law**

**Inspirational Message**

See Meet Baby Olivia on Live Action website <https://babyolivia.liveaction.org/>

“From a single-celled human to a baby with a beating heart, brainwaves, fingers, and toes, Olivia shows the remarkable beauty of a unique life within the womb.

The Baby Olivia project provides a medically accurate, animated glimpse of human life from the moment of fertilization. The story details her growth as she progresses from one developmental stage to the next, in preparation for her continued life outside of the womb.”

+++++

**Opinion**

**Letter to the Editor**

Treat any human, no matter how small, no matter where they live, as you would have any human treat you anywhere, anytime from conception to 8 weeks to 9 months to 120 years. Human tissue grows from four types of body cells that may be sampled in a biopsy. Extracting too big a tissue sample damages the patient.

- Medical doctors, bill you, for a 1.5 grams biopsy of a 70,000 grams (154 lbs) adult, to test for disease.
- Abortionists, tax you, for 100% of your baby’s body, to destroy your baby’s life and harm two souls.

# **40 DAYS FOR LIFE**

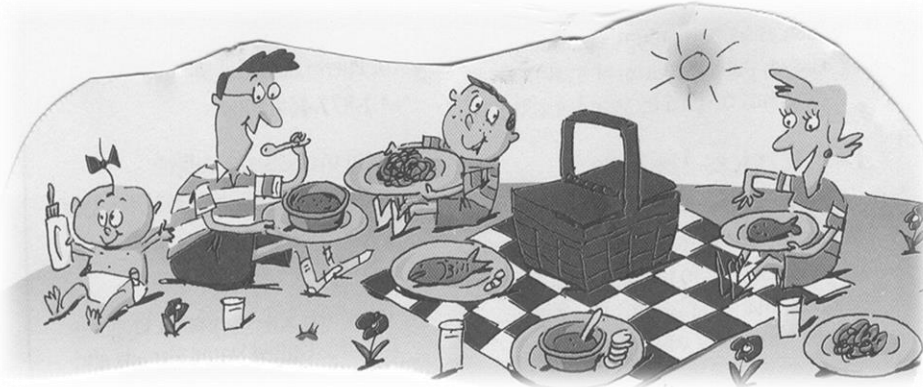

## **Sidewalk counseling and prayer at various Planned Parenthood locations.**

Sign up for a day and time to pray for help to expectant mothers and their pre-born babies. If you want to get involved, contact Pat Feist at email: [pjfeist13@comcast.net](mailto:pjfeist13@comcast.net) Another location in Bremerton is the Planned Parenthood located at 723 NE Riddell, Unit A, Bremerton, WA. If you know of other locations, please contact Ron DeGroot by e-mail at: [ron1105@comcast.net](mailto:ron1105@comcast.net)

**Come to our pro-life Summer Picnic:** <https://HumanLifeTC.org/hltc/RSVPSummerPicnic>

Use your eight-character **access code** (on envelope by return address) to auto-fill website forms on web pages.

## **HUMAN LIFE OF THURSTON COUNTY'S ANNUAL PICNIC**

### **PLEASE COME AND JOIN TOGETHER AT OUR ANNUAL FAMILY PICNIC COLUMBUS PARK, SATURDAY, JUNE 18TH, BEGINNING AT 2:00 P.M.**

We are happy to announce that our annual picnic will again be on Black Lake, at Columbus Park (5700 Black Lake Blvd.) You are invited to come and enjoy the famous “pro-life hotdogs”, plus cold drinks. It is all **FREE**, not even a donation can! You may bring something to share, such as a bag of chips or pot of beans, salad, desert, etc.

Scenic Columbus Park located on Black Lake has long been a favorite of campers, boaters and vacationers alike. The park contains picnic and camping sites, a picturesque stream, playground for kids, volleyball pits, horseshoe pits, an excellent boat ramp, and all-around family fun.

Black Lake is a very active fishing lake. You can fish for trout, catfish, bass, bluegill, and crappy all in large numbers. If you are 15 and older you must have a state fishing license.

We will be at kitchen #2 in the beautiful setting just to the left of the boat launch. The swimming beach and fishing are just a few yards away.

**Tell the gate person you are going to the Human Life Picnic and pay no entry fee.**

**Bring your kids/grandkids. We look forward to seeing you all for a pre-Father's Day celebration in the park.**

**Look for the balloons!**

**YOU CAN FIGHT THE CULTURE OF DEATH WITH A PEN**

Champion the Right to Life today by writing letters to the HLTC editor, to a local paper, or to your church bulletin to spread the word. Your letter could save a life! E-mail your HLTC letter to [Letters@HumanLifeTC.org](mailto:Letters@HumanLifeTC.org)

**Get help with your unplanned pregnancy:**

**Find help for prenatal care or when considering an abortion:**  
<https://HumanLifeTC.org/Pregnancy>

**Find contacts and groups to help after an abortion:**  
<https://HumanLifeTC.org/Resources>

I met someone precious, of great value, and highly esteemed. With that human, life became purposeful and joyful. The journey towards that human created in me a personal, loving relationship. Only because that human survived an abortion, forced upon innocent babies who were less than three years old, exists the freedom for us to be who we are with a chance to become someone special and beloved to another.

**Give yourself and your babies a chance to love. Give them life!**

A human's race, color, sex, and age are all defined at twelve weeks of age. Maybe abortion discriminates on protected classes. Three little figurines in the image to the left simulate a 12-week-old human.
