

Welcome to Human Life of Thurston County (HLTC)

Mike Mock

President’s Message: For many, being pro-life begins with conception that naturally progresses to birthing innocent babies. Helping young parents find good role models in a caring community is pro-life. Being a mom and dad is a decades-long journey. Raising a good family nurtures a new generation of strength, kindness, and prosperity. This requires pro-life education and mentoring. Elders living wisely may share their hard-earned gift of experience with conscientious youths. Life’s torrents behoove us to respect and assist each other so that good, healthy families flourish. That is pro-life.

At least every four years in the United States, we encourage leaders to model good ethical behavior, citizenship, productivity, and common sense by voting for them. True leaders demonstrate track records of promoting good living. Understanding your own life centered beliefs helps to improve your happiness. Others’ happiness increases if your beliefs promote working towards a common goal of living well together. This can be pro-life.

Make this year’s vote as valuable as possible. Learn how to live as a people, not silenced and powerless, nor complaining and lashing out, but compassionate, upholding the right to life for anyone – even for oneself.

Help Wanted: Human Life of Thurston County Secretary: Duties include taking meeting minutes, officer decision making and assisting at events. Contact us: Letters@HumanLifeTC.org

**HUMAN LIFE OF THURSTON COUNTY’S ANNUAL PICNIC
PLEASE COME AND JOIN TOGETHER AT OUR ANNUAL FAMILY PICNIC
KENNEYDELL PARK, PIONEER SHELTER on SATURDAY, JUNE 22nd, NOON to 2 P.M.**

We are happy to announce that our annual picnic meeting will be at **Kenneydell Park** (6745 Fairview Rd SW, Olympia) You are invited to come and enjoy the famous “pro-life hotdogs”. It is all **Free**, even parking! You may bring something to share, such as a bag of chips or pot of beans, dessert, etc.

We will be at **Pioneer Shelter** close to parking and restrooms. This 58-acre park has athletic fields, a paved half-mile track, and a popular swimming beach in Black Lake just a few yards away.

Bring your kids and grandkids with you. We are looking forward to seeing you all. **RSVP to Letters@HumanLifeTC.org**

To help keep the pro-life message active, a donor shared. “Your Pro Life Vote makes a difference!” Donors, design committee, and artists created “Future Generations Depend On You!” Displayed at Martin Way and Kinwood during April 25 to May 26, 2024. This 10.6’ x 22.9’, lighted billboard, provides passersby with 97,425 weekly impressions.

Early in your life, you lived as an unborn baby. Pro-life thoughts and actions begin with these unborn babies. Those who grow up, become priests and congregations,

teachers and students, employers and employees, doctors and patients, lawyers and clients. Persons, born or unborn, all deserve protection of their human rights for as long as their natural life may be. All contribute to our ability to encourage humanity’s healthy growth and prosperity.

Thurston County Fair July 31-August 4, 2024

Human Life of Thurston County will need volunteers to help with our education booth. We work to build community, knowledge, productivity, health, and respect for justice.

We seek assistance with designing/displaying, setting up, volunteering at booth, and booth take down. A Human Life of Thurston County representative will always be scheduled to work with the volunteer at the booth. This is a presidential election year! We need pro-life voting guides, brochures, balloons, and billboard banners at the booth. See <https://humanlifetc.org/hltc/Volunteer> and <https://humanlifetc.org/hltc/TrainingWeb>

Voting Pro-Life

Human relationships take time to develop. About five months remain before the election time. It’s your lucky day! Get to know the men and women whom you might:

1. Choose to be your leaders; or
2. Are the other candidate you see as being less of a problem; or
3. Rally others to vote for, because with all your votes they have a better chance of getting elected.

If you are considering to vote in the up-coming general election, the following link will assist you in taking the necessary steps to cast your vote in the November election. <https://humanlifetc.org/hltc/Vote> Please consider that you:

1. Must be eligible and timely registered to vote;
2. Complete your ballot and send it in on time; And additionally:
3. Get to know the politicians who seek office, as well as their experience and track record;
4. Know what you value and what you’re willing to give up to hold to your values;
5. Inform yourself and others on the current issues, policies, and laws with voter guides; and
6. Fill out the voters’ ballots, share your dream by selecting your choice of candidates, and Vote!

WE NEED EACH OTHER

Show The Truth Washington donated the funds for our second billboard. It displays September 2-29, 2024 at Kinwood and Martin Way. Saving innocent, unborn human lives from the catastrophe of chemical, mechanical, and surgical abortion, and of the damage inflicted upon their mothers and fathers, all to fund a multi-billion dollar business, requires us to know we need each other to survive.

SEEK HAPPINESS LIBERTY & LIFE
