

Welcome to Human Life of Thurston County (HLTC)

### President's Message:

Georgia's Amber Thurman and Candi Miller died after using abortion pills. Some politicians and media practice misleading the voters, undoing regulations that protect innocent human life, increasing on-demand abortion profiteering, and eliminating future generations of Americans. One publisher uses the women to push their abortion agenda: <https://www.propublica.org/article/georgia-judge-lifts-six-week-abortion-ban-after-deaths> and <https://www.propublica.org/article/candi-miller-abortion-ban-death-georgia>

Vote Pro-Life Others, <https://www.liveaction.org/news/fact-check-georgia-law-second-woman-abortion-pill> and <https://www.foxnews.com/video/6362412506112>, offer more factual journalism. The 6-week abortion bans save many human lives. Abortion pills users like Miller who took suicidal levels of painkillers or like Thurman who refused for days to get medical treatment can become victims of their own choices. Does your political public servant candidate protect innocent human lives over championing abortion?

Research candidates, know your beliefs, prioritize your convictions, encourage others, and vote with integrity. <https://www.usccb.org/issues-and-action/faithful-citizenship/upload/forming-consciences-for-faithful-citizenship.pdf> <https://www.usccb.org/resources/8-no-taxpayer-abortion-key-points.pdf>

**Help Wanted:** Human Life of Thurston County Secretary: Duties include taking meeting minutes, officer decision making and assisting at events. Contact us: [Letters@HumanLifeTC.org](mailto:Letters@HumanLifeTC.org)

**Human Life of Thurston County's Annual Picnic** at Kenneydell Park, Pioneer Shelter was on Saturday, June 22<sup>nd</sup> from Noon to 2 p.m. We displayed all of our billboard banners. From the many hundreds of invitations, there were five attendees: Mike (President), Mary (Vice President), Lucy (Treasurer), Michael and Laura.

We visited, ate meal, and discussed future HLTC plans. Our year 2025 theme will focus more on the elderly. Topics to consider might include: Assisted suicide; Euthanasia; Inclusion; Parenting;

Grandparenting; Sharing generational history and wisdom. Support pro-life. Share your ideas with us.

## HUMAN LIFE OF THURSTON COUNTY'S EDUCATION BOOTH

Held July 31<sup>st</sup> to August 4<sup>th</sup> at the county fairgrounds

We are happy to announce Marie won the \$25 movie ticket drawing. She plans to treat her two daughters and granddaughter to a show. Marie and her two daughters live as testimony to pro-life values of family and community caring for each other. She grew up in difficult times and circumstances. Marie's mother, an unwed 18-year-old, put Marie up for adoption. Her mother's aunt and uncle cared for her until age 13. Marie loves the young Seventh Day Adventist couple who in their early twenties read the adoption notice in the church bulletin and adopted her as a teenager. When Marie herself became an unwed mother, her adoptive parents helped raise her baby daughter, Christina. Marie soon married David who then adopted Christina as his daughter. David passed away in 2016. Marie still wears her wedding ring to this day. She loves being a mother and grandmother. She told us that we may share this with you.

## Summary Results:

Fair Day	7/31	8/1	8/2	8/3	8/4
<b>Fairgoers</b>	2,764	1,066	1,176	1,750	1,081
<b>Spectators</b>	209	140	156	201	114
<b>Pro-Life</b>	135	69	102	76	7
<b>Pro-Abortion</b>	7	4	7	0	2

In a 9'x20' sized double booth at a discount price, 3 of our 6 pro-life billboard banners emphasized voting. Fairgoers scanned our HLTC website's voting guide QR code and received our business card. They signed up for our newsletter and/or as next year's education booth volunteers.

A mom took a picture of her homeschooled children who enjoyed looking at fetal models, posters, and tossing the ball game. Our pink wristband "Worth Waiting For" caused her tears of joy to flow for conceiving her kids.

The 12-week-old rubber fetus models opened fairgoers eyes. Pregnant women wanted the 12-week baby fetus model to know more about their new life within. A father was amazed that such a small human being, a 12-week-old fetus, has so many distinctly human features. Mothers and grandmothers showed their children stages of fetal development displays. A young boy spent time enjoying reading and looking at the ten gestational posters. Kids liked touching the stuffed mother polar bear holding her cub at the entrance of the booth.

When two pro-choice women and one pro-choice couple stopped at our booth, the two women said they had abortions and didn't regret it at all. The pro-choice senior couple with anger stated "My Body, My Choice!", "What about rape and incest!" and "There's nobody that helps the pregnant women!" The next day, a vendor lady at the fair gave us five yellow gerbera daisies for our HLTC team's gentle response to the senior couple.

## General Election Dates & Deadlines

- October 18** Start of 18-day voting period (through Election Day). Ballots are mailed out and Accessible Voting Units (AVUs) are available at voting centers.
- October 28** Online and mail registrations must be received 8 days before Election Day. Register to vote in person during business hours and any time before 8:00 p.m. on Election Day.
- November 5** Deadline for Washington State voter registration or updates (in person only).
- November 5** General Election - Deposit your ballot in an official drop box by 8 p.m. on Election Day.

## Voting Pro-Life

<https://ivoterguide.com/>      <https://www.lifepac.org/ss1/>      <https://www.vote411.org/washington>

<https://www.votervoice.net/NRLC/home>      <https://sbaprolife.org/scorecard>

## Five reasons to vote pro-life: <https://heartbeatinternational.org>

1. People of faith would know that God values life
2. Declaration of Independence proclaims the unalienable right to life
3. Funding abortion with taxpayer funds is wrong to violate sincere, closely held beliefs and against their will force others to be complicit with the act of killing innocent human beings
4. Pro-lifers build a culture of life that promotes improvements in our country and its people's communities
5. Abortion is not a "human right" and not "healthcare" in most pregnancies as its goal is to produce a human death

Billboards cost money. This year we were fortunate that Show The Truth Washington and Sacred Heart Respect Life joined with Human Life of Thurston County to fund our voting themed billboards that displayed in Lacey, WA between March and November, 2024.

Starting in 2025, we will only mail one annual newsletter near May. See our website during the year for updates. Share your pro-life ideas via e-mail.

Build your country on freedom with a government and businesses that tax you lightly. They should spend your money wisely. Seek life and vote for champions of innocent human life.

**Your gifts and contributions form the foundation for our pro-life works this year.**

Send feedback comments and ideas to [letters@humanlifetc.org](mailto:letters@humanlifetc.org)

Or fill out and send to us this form using your envelope and first class mail to
